Management changes at Assemblin in Finland

Magnus Eriksson is leaving his role as President and Business Area Manager of Assemblin Finland. He will be replaced by Mats Johansson, President and CEO of Assemblin until further notice.

Magnus Eriksson joined Assemblin in Finland in 2017 and was appointed President and Business Area Manager in 2018. Magnus has let it be known that he is now leaving this role to take on new challenges and that he will be replaced by Mats Johansson, President and CEO of Assemblin until further notice.

“I would like to thank Magnus for his great commitment and contribution to the development of Assemblin’s Finnish operations. Magnus is a strong and well-liked manager who has succeeded in reversing Assemblin Finland’s negative trend of recent years. I wish him the best of luck on his continued journey,” says Mats Johansson, President and CEO of Assemblin.

About Assemblin

Assemblin is an end-to-end installation and service partner with operations in Sweden, Norway and Finland. We design, install and maintain technical systems for air, water and energy. Our vision is to create smart and sustainable installations that make buildings work and people feel comfortable. We make this possible through close local collaboration and are supported by a strong organisation. We have annual sales of SEK 10 billion and about 5,900 dedicated employees at more than 100 locations in the Nordic region. Read more at assemblin.com.
